

Institute of Electrical and Electronics Engineers (IEEE) is the world's largest technical professional organization for the benefit of Humanity with more than 423000 members from 160 countries around the world.

IEEE UAP SB was formed on December 2015. Its main objective is to motivate our students to devote their studies and work for the betterment of the humanity. The activities of IEEE UAP SB are conducting workshops and seminars on interesting topics, study tours, organizing different types of programs so that students can reach out other students and faculties from other universities for their need.

**WIE Track at ICCIT 2017 organized by IEEE WIE BDS AG
(supported by IEEE UAP SB) with ICCIT 2017,
on December 24 2017**

Keynote Speaker: Dr. Celia Shahnaz, Professor, EEE, BUET

Focusing the successful progress of women in numerous fields of engineering and leadership, an inauguration of IEEE WIE UAP SB AG was celebrated along with a WIE Track in the ICCIT 2017 at University of Asia Pacific, Dhaka, Bangladesh on December 24, 2017. In this event, Dr. Celia Shahnaz, Professor, EEE, BUET , Mehjabeen Mahbub, Experienced Integration Engineer, LM Ericsson, Bangladesh and Syeda Kamrun Ahmed, Co-founder and former CEO, BAGDOOM.com (former ekhoni.com) gave their talk on various aspects of 'Women in Engineering'.

EEE UAP Student Branch organized a seminar on ‘Smart Grid: Self-healing and Energy Efficient Power Grid’ on April 27, 2017 (Thursday) where Dr. Jahangir Hossain, Associate Professor, Department of Engineering, Faculty of Science, Macquarie University NSW 2109, Australia, was remain as the keynote speaker.

Seminar on “Smart Grid” announced by Assistant Prof. Sazzadur Rahman , Core mentor IEEE Student Branch

Faculty of EEE with Keynote Speaker

Question and Answer Session

Seminar in Progress

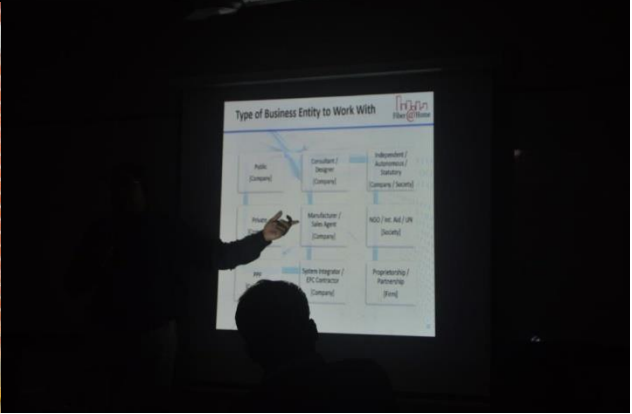

Seminar on “Data Center Technology and Career Counseling” was arranged by IEEE UAP Student Branch on 3rd May, 2017.

Keynote Speaker: Mr. Khan Muhammad Fuad Bin Enayet
Assistant General Manager, Fiber@Home Limited.

Branch Chair addresses seminar Speaker

Workshop on IQAC conducted by Associate Prof. Ahmed Jamal , Dept. of EEE

Seminar in Progress

Workshop on “Micro controller “ By Khairul Alam , Lecturer ,
Dept of EEE

IEEE University of Asia Pacific Student Branch (UAP SB)

Also IEEE UAP SB wants to engage students to work in team, critical thinking, get ready for future corporate work, taking responsibilities, growing leadership among students.

IEEE UAP SB also have IEEE Women In Engineering Affinity Group Student Branch (IEEE WIE AG) for women members to encourage them to come forward and express their selves with the world technology and global communications. Our women members are trying to motivate female members to involve themselves in many activities.
