22 July 2019

Minutes of the 41st Meeting of the System Development Facilitation Committee (SDFC)

• **IEERD
Working
Group-
developed
Guidelines**

The IEERD has begun using newly developed policy 5 Guidelines prepared by the SDFC working group. Director IEERD, on June 9, has called for research project proposals for *IEERD Research Grant* (Fall 2019); the last date of submission is: 31 July 2019 (Wednesday). In the announcement he requested the intending proposal submitters to go through following documents:

1. Announcement for research proposal;
2. Outline for writing research proposal;
3. Application for research grant;
4. Time estimate, budget and phases of payment schedule for research;
5. Aspects of research proposal evaluation and their scores.

Decision 41.2.5 The IEERD Working Group is advised to continue to provide additional guidance to the Director, IEERD as needed for effective use of research funds.
