#### Newly Introduced Services at UAP Central Library

TYPE OF SERVICES	DESCRIPTION
------------------	-------------

#### CITATION AND REFERENCE MANAGEMENT SERVICES

Library users can take assistance of the Library to organize research materials and generate citations in multiple formats through **Mendeley** reference management software.

- Please contact library circulation desk for detail.

# UNIVERSITY OF ASIA PACIFIC CENTRAL LIBRARY

#### TYPE OF SERVICES

##### TURNITIN

#### DESCRIPTION

UAP Library has a subscription to the Turnitin online anti-plagiarism software to ensure academic integrity and the utmost credibility of the research works. This web service allows the departments to check students' research works for potential plagiarism. Students can also avail this service.

- Please contact the Central Library, UAP for further details.

##### INFORMATION LITERACY SESSIONS (IL)

UAP Central Library is planning on organizing IL program in every semester for the newly appointed faculty members.

The facility is also available for the students. The students need to register to participate in the IL Session.

**Note:** An IL session will be offered to students only if 15 students from the same department register for it.

**For registration please contact the library circulation desk.**

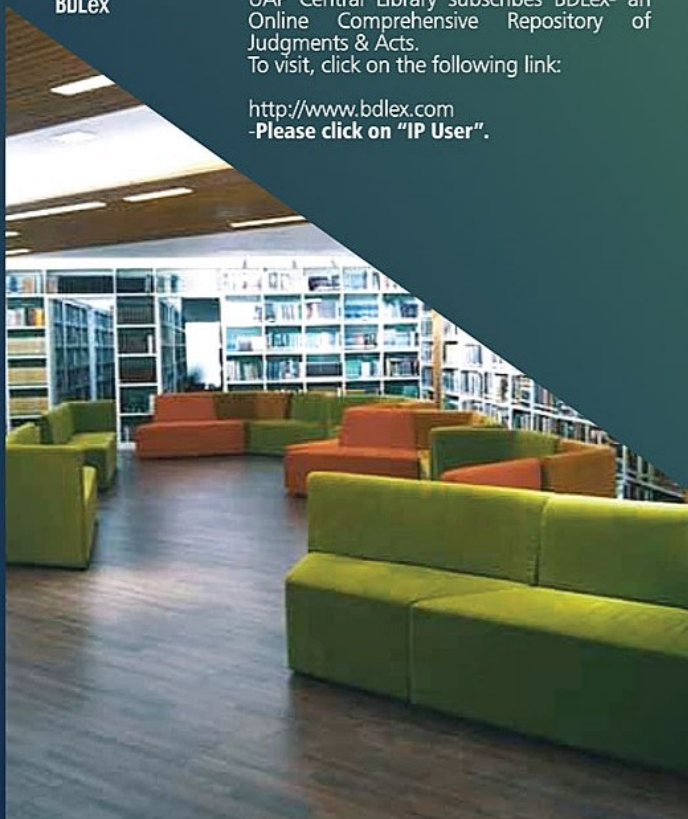

##### BDLex

UAP Central Library subscribes BDLex- an Online Comprehensive Repository of Judgments & Acts. To visit, click on the following link:
