Entry Qualification

Department of Pharmacy has Bachelor of Pharmacy program (Hons.) comprised with total two semesters each year for four years, and Master of Science in Pharmaceutical Technology having two semesters (Thesis/non-thesis).

Department of Pharmacy has set certain criteria for recruiting prospective students each semester for both B. Pharm and MS. Pharm Tech programs.

A. Admission criteria for B. Pharm (Hons)

- Candidate must have passed HSC/ "A" level or recognized equivalent examination in current year or one previous year.

- Students must have Mathematics, Biology and Chemistry in HSC or equivalent exam.

- Total GPA in SSC and HSC = 8.00

B. Admission criteria for Master of Science in Pharmaceutical Technology (MS Pharm Tech)

- Students must have completed B. Pharm degree from UGC approved universities/institutions.

- Candidates with minimum CGPA 2.75 (scale 4.0) in B. Pharm is required to sit for written admission test.

Admission Procedure

Department of Pharmacy enrolls students based on admission criteria for each semester. Department of Pharmacy has two distinct exam committee for B. Pharm and M. Pharm admission test who entirely conduct the admission test i.e. preparation of admission questions, answer script scrutinization and test result publication. They also conduct the viva voice of the selected candidates who has qualified written test.

Registrar office of UAP circulates notice for both undergraduate and post graduate admission test which is available on the website of UAP (*http://www.uap-bd.edu*) from where candidates can get the application form for admission into various undergraduate and post graduate programs. Registrar office also gives ad in the leading Bengali and English newspapers to inform prospective candidates.

After that, the role of admission office begins, which is very crucial because it is the first point of contact for prospective students. The office of admission at the University of Asia Pacific (UAP) is dedicated to assisting students and communicating with prospective students and their parents/guardians. Transparency and fairness in admission process are maintained very strictly. UAP pays close attention to standard approach in terms of admission procedure. In compliance with UAP rules, Department of Pharmacy conducts admission tests for Spring and Fall Semesters each year. Test dates and time are notified on university website before the admission test.

a. In Pharmacy program, admission test is carried out by the Admission Test Committee in following two phases:

- Written Test

- Viva Voce

b. Admission question type: Multiple Choice Questions (MCQ)

c. Candidate with minimum GPA (GPA in SSC and HSC) is required to sit for written admission test.

Subject	Weight (%)
Chemistry	40
Biology	40
English	20

d. Selection of qualified students is done both for graduate and undergraduate as per following system:

Total GPA (in SSC and HSC) x 10 + Written test marks.

It is mentionable that merit list of candidates are prepared based on marks obtained from total two hundred marks (100 marks written test & 100 marks from SSC and HSC GPA).

e. A list of selected applicants is published in UAP website and notice board.

f. Selected applicants are required to appear before a viva board.

g. Final selection of the candidate is done based on their viva performance.

h. UAP has a waiver policy which is given on the basis of Semester GPA. Tuition fee waiver (only for merit-based) is awarded based on GPA as per the following table.

i. **Tuition fee waiver based on GPA**

GPA	Percentage of tuition fee wavier
3.50 - 3.74	25
3.75 – 3.89	50
3.90 – 3.99	75
4.00	100

j. In addition to the above waiver policy, top 3% students who study in B. Pharm program is offered 100%tuition waiver based on semester results. 10% - 100% Vice Chancellor's special tuition fee waiver is offered to poor meritorious students.
